

### FULL PROGRAMS

**Talk It, Type It 1.6**  
Within minutes of training this software to recognise your voice, you can dictate directly into any Windows application.

**Visualware eMailTrackerPro 5.0b\***  
This email trace tool will help you identify the IP address and location of internet abusers, and report them to their ISP.

**BB FlashBack Express 1.5.3\***  
This application is ideal for creating presentations and software tutorials.

**CADopia Standard SP3 6.2.36**  
This CAD package is ideal for anyone who works with technical drawings. 12-month licence expires 30/12/2007.

**Driver Genius Pro Edition 2005 5.3\***  
Reinstalling drivers can often be a troublesome and time-consuming task, especially if your installation CD is no longer at hand. This great tool will backup, restore and update your drivers.

**eScan Anti-Virus 2.6.5.22.9\***  
Protect your PC against viruses, spyware and adware with this Kaspersky-powered anti-virus program.

**Ubuntu Linux 6.06 (Dapper Drake)**  
Try this version of Ubuntu Linux without having to install anything on your PC. There's also an option to install the full operating system. Requires CD writer.

**Visualware Visual IP Trace 1.2b\***  
This IP trace tool integrates with eMailTrackerPro and reveals a wealth of useful information.

### EXTRAS

### GAME DEMOS

**1701 A.D.**  
This third instalment in the epic A.D. series takes up where its two predecessors left

off: in an age of exploration and sea trade where you must discover new islands, build cities and develop diplomatic relations.

**BIONICLE Heroes**  
From the makers of LEGO Star Wars comes this third-person action adventure game, based on LEGO's Polynesian mythology-inspired characters.

**Dracula Twins**  
Simplistic platform adventure with a spooky storyline and gorgeous cartoony graphics. This demo includes the first eight chapters from the full game.

**Medieval II: Total War**  
Rediscover the savagery of the dark ages with this historically accurate, turn-based strategy game.

**Putt Mania**  
Putt Mania's shot mechanic makes it easy to putt like a pro while its courses will have you coming back for more.

**Star Wars Empire at War: Forces of Corruption**  
Turn to the dark side of the Star Wars galaxy in this single-player demo of the upcoming Forces of Corruption expansion pack.

**DVD CONTENTS**  
Complete listing of Computer Buyer's special disc contents for February 2007 (Issue 189). You can either browse through the plain text listings or use Windows' Search feature to find what you are looking for.
